As the saying goes April showers bring May flowers. Hopefully this is true. I think we all have had enough of the snow. It's time for some warm weather and green grass.

We are all looking forward to a nice ham dinner for Easter, dinner on Friday, April 22nd. Since there are no real flowers out yet we plan on decorating with fake ones and other bright and beautiful colored decorations. This way it can at least feel like spring.

Since we have a member that volunteers at Casa, we are fortunate enough to have Jerry Larson come in on April 12th at 11:00 to speak about the agency and inform the other members of different ways they can volunteer or assist with these teenagers.

Everyone is looking forward to our shopping trip this month in Berlin. We will be going to WalMart and the Dollar tree as well as Save a lot for some groceries. Of course the Chinese buffet is always the biggest hit of the trip. A wonderful time is usually had by all.

We have all decided to have another bake sale, which is always fun. This time we will be having it in front of the Big Apple instead of the Hicks Hardware store. Hopefully, it will be a little warmer. It is great to make a few dollars and have a great time as well.

I would like to let everyone know what a great peer support center we have. I had to come into work the beginning of this month and I was feeling very ill. I must say, however, the members definitely showed what peer support was. They were all very helpful and made sure everything was done as usual. Groups were still being done, the cleaning was still being completed and best of all it was all voluntary on their part. I could not have been happier about their unity the members those few days. I never had to ask them to do anything. They just all took upon themselves to do what needed to be done.

*From JO!
 A very proud and Happy
 Staff Person*
